

QUICK RIBBED ASCOT

Finished measurements: Approximately 4 ¼” x 36”

MATERIALS

Bulky weight wool (I used Wool-ease Thick & Quick), approximately 75 yards

Knitting needles, size 13 (9 mm) **or** size needed to obtain gauge

1 ½” -2” Button

GAUGE: In K1, P1 Ribbing, 15 sts = 4 ¼ ”

BODY

Cast on 15 sts **loosely**.

Row 1: Slip 1 as if to **knit**, (P1, K1) across.

Row 2 (Right side): Slip 1 as if to **knit**, (K1, P1) across to last 2 sts, K2.

Note: Mark Row 2 as **right** side.

Repeat Rows 1 and 2 until piece measures approximately 7 “ from cast on edge, ending by working pattern Row 1.

Buttonhole Row: Slip 1 as if to **knit**, (K1, P1) 3 times, **YO twice** (*see Note below*), P2 tog, (K1, P1) across to last 2 sts, K2.

Note: Double YO (**YO twice**) is used to make a larger buttonhole. When working next row, work double YO as if it is only **one** YO, allowing extra YO loop to drop off. If you are NOT using a button that is 1 5/8” or larger, just do a single YO.

Repeat Rows 1 and 2 until piece measures approximately 36” or desired length.

Bind off sts **loosely** in pattern.

Sew Button to center of opposite end 7” from bound off edge.

Weave in yarn ends.
