### Felting Instructions

1. Set washer (top loader) to hot water, small load.
2. Place 1tbs of Eucalan Wool Wash or 1tbs of Baby Shampoo
3. Place item inside a zippered pillow case. Place the pillow case in the washer along with 2 jeans to aid in agitation.
4. Let the cycle run for about 10minutes and check progress of box, if the box is not desired size, place it inside the pillow case again and let it wash for a few more minutes.
5. When the item reaches desired effect/size, take it out, shape it (you may put something inside to help in obtaining desired shape). Allow to air dry, about 24-48 hours.
