

The Nyah Poncho

by Isela Phelps

Step 1:

Set-up row: Cast on 24 pegs with your favorite cast-on method. Place a stitch marker on the 4th peg and the 20th peg.

Row 1: Knit all the stitches using flat stitch.

Row 2: Purl the first 4 stitches. Knit all the next stitches until you reach the next marker on peg 20. Purl the last 4 stitches.

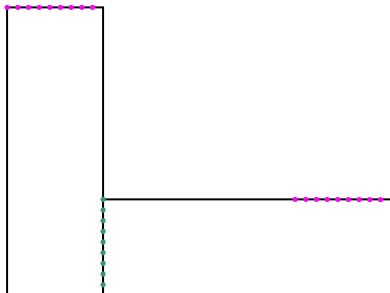

Subsequent rows: Repeat row 1 & 2 until piece reaches 14 inches.

Remove from the loom with the crochet chain hook method.

Step 2: Make a second rectangle by following the instructions above.

Assembly:

Weave in all ends to the wrong side of the items. Assemble poncho by seaming a narrow side to a long side, fold into poncho shape and seam the other narrow side to the other long side.

The pattern is worked as a flat panel using the flat stitch throughout. After the two rectangles are knitted, the pieces will be sewn together to form the poncho.

Size:

9-12 months

Materials:

- Any regular gauge loom (pegs spaced at .5" from center of peg to center of peg) with 24 pegs.
- 1.25 skeins of Lion Brand Jiffy in your choice of color. Pictured in San Diego
- Knitting Tool
- Tapestry Needle
- Crochet hook size K

Skill Set:

- Flat Panel
- Flat Stitch
- Purl
