Loom Knitting Ornament

Introduction

Thank you for purchasing this Ornament pattern from Loom Knitting.

This pattern assumes you have some experience using round looms, including how to cast on, making e-wrap stitches, and using the gathered removal method. If you need help with these, please refer to our Getting Started e-books.

If you have any questions or comments about this pattern, please contact us at customerservice@loomknitting.com.

Wishing you much success and pleasure with your loom knitting,
Anne Bipes

Overview:

This simple ornament is made by e-wrapping every other peg on a small round loom. It can be made with a variety of colors and themed charms for any season, holiday, or special occasion. The sample ornament was made using Lion Brand Wool Ease yarn.

Materials Needed:

- Glass ball ornament, approximately 4” diameter
- Large gauge round knitting loom with approx 24 pegs.
- Hook tool
- 1 skein worsted or lighter weight yarn. Thin novelty yarns such as fur can also be used.
- Small charms, buttons and/or bells (optional)
- Tassel (optional)
- Tapestry needle
- Scissors

Knowledge Required:

- E-wrap stitch
- Gathered removal method

Directions:

If using charms or buttons, thread onto yarn. If there is a noticeable right side, make sure all the charms are facing the same direction.

Cast on, using every other peg.

Knit with e-wrap stitches in the round. If using charms, slide them into place on the yarn when wrapping stitches, as desired. It is easiest to place the charms between the pegs rather than in a stitch. Position charms so they hang properly on the outside of the knitting. Continue knitting until the length of the piece equals the diameter (height) of the glass ball.

Remove the knitting from the loom with the gathered removal method. Let the yarn ends hang if you will be attaching a tassel.

Insert the glass ball into the knit piece, with the ornament crown and loop showing in the open end.

Cut a 12" length of yarn and thread onto the tapestry needle. Run the needle and yarn through the cast on loops, and gather tight around the ornament crown. Knot ends. Either cut yarn close to the ends, or attach charms or bells to the ends of the yarn. Attach a tassel to the bottom of the ornament if desired.
