Toe Shaping

Repeat heel instructions

Bind Off: After the heel instructions have been repeated on the toe area, the toe is ready to be closed. Place half of the stitches on a dpn (1-32) and the other half on a second dpn (33-64). Cut the working yarn leaving a long tail to use to close the toe area. Use the kitchener stitch to close the toe.

Finishing: Weave all yarn tail ends. Block lightly.
